CONDITIONS OF SALE

Prices in this list supersede and void all previous quotations and are for stock FOB nursery at Monroe, Michigan, including careful loading with damp packing material, but not tarpaulins or other over-all cover in trucks, trailers or railroad cars. These prices are based on current market conditions and are subject to change without notice.

PAYMENT TERMS

- OPEN ACCOUNT to firms of established credit, or on approval of credit. Net 30 days, 2% for payment within 10 days from date of invoice.
- SERVICE CHARGE 1/2% per month on accounts over 30 days.
- CASH WITH ORDER 2% discount. An additional 5 or 10% should be included to cover packing, thereby eliminating possible C.O.D. costs. Overpayments returned promptly.
- C.O.D. orders must be accompanied by at least 1/3 of total amount of order and no discount is applicable.

GUARANTEE : All stock is guaranteed true-to-name and in good healthy condition, but we assume no responsibility after it leaves the nursery. We give no warranty, expressed or implied, as to productiveness or growth, and will not in any way be responsible for the results secured in transplanting. It is mutually agreed that our liability for any errors is confined to free replacement or refund of purchase price.

CLAIMS AGAINST THE NURSERY for rejections, errors in filling the order, or damage or loss when delivered by our truck, must be made within 10 days from date of arrival of goods. We assume no responsibility for any discrepancies unless notification has been received in writing within 10 days. Absolutely no consideration will be given to any such claims after expiration of 10 days.

SHIPPING CLAIMS Shipments travel at expense and risk of the purchaser. Our responsibility ceases upon delivery of the shipment to the carrier, or when the shipment leaves our hands. Check all arriving shipments carefully for damage and shortage -- visible or concealed. If visible discrepancy is found, shipment should not be accepted until notation is endorsed on transportation or delivery receipt by an agent of the carrier. If agent is given an opportunity to make an inspection he will inform you how to proceed. Claim must be filed with carrier within 30 days.

When **CONCEALED DAMAGE** is discovered, cease further unpacking of the unit involved and request immediate inspection by local agent of carrier and written report of his findings to support claim. The Interstate Commerce Commission has held that carrier is as responsible for concealed damage as for visible damage in transit. Unpack all shipments promptly after receipt, as claims must be made with carrier within 30 days.

FREIGHT OR EXPRESS CLAIMS In the event of damage or shortage in shipment, it is the responsibility of the consignee to make claim against the transportation company involved. This claim must be supported with the original freight or express waybill and the inspector's written report of concealed damage or notation of such damage on receipt. We will be glad to assist in any way in furnishing necessary documents to establish your claim.

DELIVERY CHARGES are net and due when stock is delivered. Delivery agent or driver will collect this charge when delivery is made.
